ERTMS: Situation in Luxembourg

1. Overview of the ETCS situation in Luxembourg

ERTMS is in service on the entire network

- ETCS is an obligation since July 1st, 2017.
- RU's obtained derogations limited in time for several types of engines.
- MEMOR II+ will be decommissioned progressively on dates communicated by the NSA depending on the derogations.
- The NIB made a certain number of recommendations further to the accident of February 14th, 2017:
move ASAP to operations in ETCS is one of them.
- The NSA brought forward the end of derogations from June 30th, 2021, to December 31st, 2019.
