What's new on the corridor?

After a substantial development of rail freight traffic in our lines in 2017, celebrating a 4th continuous growth of the international rail freight traffic in our lines, the traffic went down for the first time in 2018, related to the strikes in France and the security rules applied for the TCR in Belgium

The screenshot shows the CORRIDOR Mediterranean website. The header includes the logo and navigation links: OUR OFFER, ADVISORY GROUPS, CORRIDOR INFORMATION DOCUMENT, CIP, and FORUM. A news section on the left has a 'View all news' button. The main content area displays a news update titled 'Update: Important message from SNCF Réseau: Strike on french railways from 26 till 28 July'. The update is dated 'Thu, 07/26/2018 - 12:00' and contains the following text:

Please find below an important and urgent message from SNCF Réseau, the French Railway Infrastructure Manager, regarding the temporary freight traffic suspension from tomorrow on:

A strike on the whole french railways network will begin at 8 pm on Thursday 26/07 and will end at 8 am on Saturday 28/07.

You will find below, the border points impacted by the strike :

- Hendaye will be closed from 04 : 30 am to 12 : 30 the 27/07
-

The other border points are normally opened

The modifications since the last mail are highlighted in yellow

We will keep you regularly updated on our website regarding the impact of the strikes on the French network.
