

What's new on the corridor?

Railway Undertaking Advisory Group
18 September 2019

Co-financed by the Connecting Europe
Facility of the European Union

easier, faster, safer

What's new on the corridor?

Human Resources

- Marie-Anne Menguy replaced Mohamed Salimène on June 2019
- Guillaume Confais-Morieux stepped down from his position as MD, and will leave the corridor from 1 October 2019. He will be replaced at this date by Yann Le Floc'h
- Thomas Vanbeveren stepped down from his position as C-OSS, and will leave the corridor from 1 January 2020. Infrabel is on the process to recruit his successor

What's new on the corridor?

Cooperation with other corridors

- Both North Sea – Med and Rhine Alpine teams steered a Joint ExBo meeting RFC1+2 in March 2019 and prepared a side event in Leipzig followed by a ministerial declaration
- RFC NSM was involved in the Modane ICM steered by SNCFR/ RFC Med in July 2019

What's new on the corridor?

International Contingency Management

The Simulation Test ICM of RFC NSM is in preparation and planned on 26 September

What's new on the corridor?

European Commission and 913/2010 Regulation

- EC launched the evaluation process of the RFC efficiency in June 2019, after having published the roadmap in Feb 2019
- The corridor finalized with its ExBo the investment list, for submission to the RAG

About this initiative

Summary
Rail freight can play a big part in reducing congestion and carbon emissions in the EU. However, it needs to be made more competitive with other modes, in particular road transport.

The Commission will evaluate the rail freight corridors set up across Europe and assess whether the quality of rail freight has been improved (faster, greener, safer and more efficient).
