

# Report on website update

According to the Grant agreement of the financing call 2014-EU-TM-0043-S, Rail Freight Corridor North Sea – Med (RFC NSM), implemented and operates a website in order to inform all stakeholders of relevant information regarding RFC NSM.

This website contains:

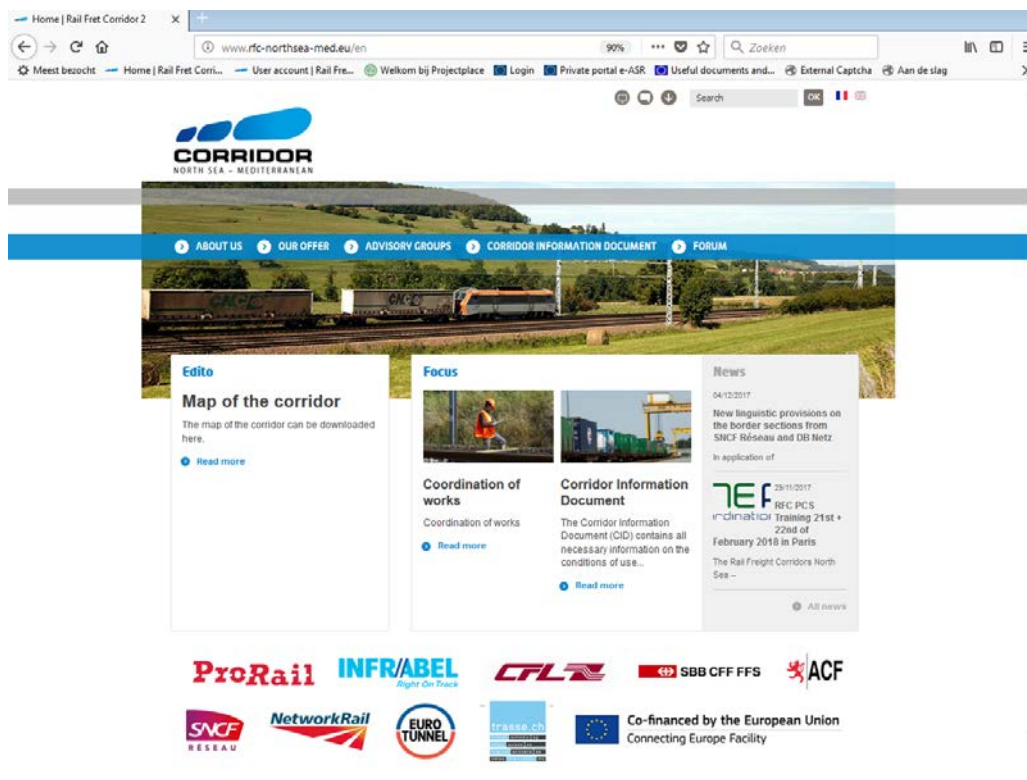

- All documents regulation (EU) 913/2010 requires to publish such as Corridor Information Documents (CID), schedule of works, catalog of Pre-Arranged Paths, results of the customer satisfaction survey and the performance report;
- All other information of interest to (potential) customers and other stakeholders such as the general terms and conditions, the presentation and minutes of advisory group meetings, and news concerning the corridor;
- The dissemination and promotional activities towards customers and other stakeholders.

**The above information that is provided on the website has been constantly updated with new information and news items.**

A major step of enhancement will be taken at the beginning of 2018 with the implementation of a new software version on the site. This will help to better organize the site and perform on an easier way visual and content wise improvements. The preparation of this migration (from drupal 7 to drupal 8) took place in the second half of 2017.

The corridor website can be consulted by following link: <http://www.rfc-northsea-med.eu/en>
